

Delta Gamma – Alpha Upsilon Newsletter

Dear DG's

I hope you all had a fantastic summer. We are back in Dallas and have had a fabulous start to the fall semester. The summer was exciting for our members as they expanded their horizons by working at fun internships and studying abroad. We have some great events planned for the fall and of course, we are preparing for recruitment in January. We hope to see you at our Homecoming Brunch as some exciting things will be unveiled!

Our Fall Fun For Kids even will not want to be missed, bring your children and/or grandchildren and celebrate the cooler weather!

Homecoming

This year Delta Gamma is paired with Sigma Chi for Homecoming.

Our theme is the Great Gatsby. Our Homecoming Queen nominee is Chelsea Rickel, a senior

Computer Science major and Creative Computation minor from Los Angeles, California. Chelsea is

a very active member of Alpha Upsilon, currently serving the chapter as VP: Foundation. She previously held the positions of

Director of Sight Hours and Director of Bid Day. Outside of

DG, Chelsea is involved in Phi Sigma Pi Honor Society. After graduation, Chelsea is interested in

pursuing a career in software development.

DG's Doing Good

Sweet Tea with Delta Gee

On October 1, Over 140 Potential New Members attended SMU Delta Gamma's first philanthropy event of the year, Sweet Tea with Delta Gee. DG ladies and SMU students spent the evening chatting while drinking sweet tea and eating cookies and popcorn. The girls also decorated mason jars with mod podge, paint, glitter and ribbons. It was a great turn out for the event and made many DG's excited for formal recruitment in January!

Internships

Many DG's spent their summers doing amazing internships! Just a few of these include National Geographic, Frito Lay, and the Bush Institute!

Scholarship

The ladies of Alpha Upsilon earned a chapter GPA of 3.412 during the spring semester, ranking fourth out of eight Panhellenic sororities and fourth overall out of SMU's 26 Greek organizations. Alpha Upsilon's chapter GPA is also above the all-Panhellenic, all-women, and all-student GPA.

Delta Gamma's Abroad

This summer, DG's studied all over! Whether in Oxford or Switzerland, DGs immersed themselves into other cultures. Currently, we have a sister experiencing a Semester At Sea, and looking forward we have many DG's planning to study abroad in the spring!
